ORDER OF THE BOARD (by R. C. Flemal):

The Board received a filing on December 3, 1986, from Respondent, Aspen Enterprises, Ltd., in which Respondent asserts that steps are being undertaken to correct the problem alleged by Complainant. The Board notes that in the December 3 filing Respondent asks the Board to drop the proceeding. The Board construes that latter request as a Motion to Dismiss. Complainant has not responded to this Motion.

Given these circumstances, the Board orders that Complainant, should she wish to continue to prosecute this matter, show cause why this matter should not be dismissed by filing supporting argument with the Board no later than April 17, 1987. Failure to do so shall constitute grounds for dismissal of the complaint.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 19th day of March, 1987, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
