Respondents.)

ORDER OF THE BOARD (by R. C. Flemal):

This matter comes before the Board upon a June 10, 1986 filing by Matthew J. Stahl. That filing consists of a cover letter and the remedial plan of Eastwood Manor Water Company ("EMCO") submitted pursuant to the Board's March 14, 1986 Order in this matter*. Mr. Stahl notes in the cover letter that he is unsure of the date by which EMCO is to pay the penalty imposed on the company by the Board in its March 14 Order.

The Board addressed the question of when the penalty is due in Condition 9 of the March 14 Order. The Board stated

*As stated in its March 14, 1986 Order, the Board retained jurisdiction in this case in order to, inter alia, evaluate the remedial plan formulated by the Respondents.

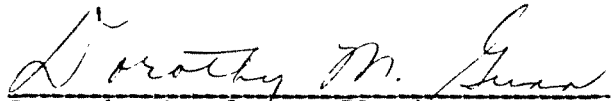

9. Within 60 days of the date of this Order, the Eastwood Manor Water Company shall, by certified check or money order, pay a civil penalty of \$1,000 payable to the State of Illinois and designated for deposit into the Environmental Protection Trust Fund. Such payment shall be sent to:

Illinois Environmental Protection Agency
Fiscal Services Division
2200 Churchill Road
Springfield, IL 62706

The Board intended the 60 day deadline to relate to the March 14 Order, and not to the final Opinion and Order in this matter that has yet to issue. Thus, payment of the \$1,000 penalty was actually due by May 13, and is now almost two months late. Payment of the penalty should therefore now be made no latter than August 4, 1986.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 15th day of July, 1986, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control
