

ILLINOIS POLLUTION CONTROL BOARD
July 11, 1986

IN THE MATTER OF:)
)
UIC UPDATE, USEPA REGULATIONS) R85-23
(THROUGH 6/30/85))

FINAL ORDER. ADOPTED RULES.

ORDER OF THE BOARD (by J. Anderson):

On June 20, 1986, the Board adopted an Opinion and Order amending the UIC and RCRA rules. The Opinion provided that the Board would withhold filing of the adopted rules for 30 days to allow motions for reconsideration. The Board has received no such motions, although the time has not yet lapsed. However, the Board has discovered several minor errors in the adopted rules through its own review of the Order. The corrections are as follows:

704.148	In the introductory paragraph, the reference should be to subsection (c) rather than (d)
704.150(c)(2)(B)	Reference should be to subsection (i) rather than (j)
704.150(c)(2)(D)	Change "he" to "the owner or operator"
704.150(d)(3)	Reference should be to Subpart G rather than F
704.150(g)(1)(C)	Reference should be to subsection (f)(1)(C) rather than to (g)(1)(C)
704.150(g)(2)(A)	Reference should be to subsections (f)(2)(A), (B) and (C) rather than to (g)(2)(A), (B) and (C)
704.150(g)(2)(C)	Change "re" to "be"

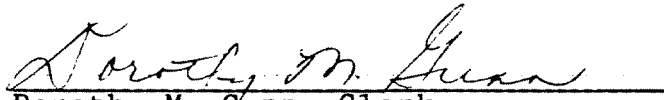

The Board appreciates the assistances of Morton Dorothy, a member of the Board's Scientific/Technical staff, in the preparation of the drafts in this proceeding, and of Kathleen Crowley, administrative assistant, in the coordination and oversight process.

The Board directs that these changes be made to the rules before filing, which will be delayed until after July 21, 1986, to await any motions for reconsideration.

On this same day the Board has adopted in R86-1 amendments to Parts 702 and 703, which are also amended in this Docket. Because Administrative Code Unit rules prohibit the publication of more than one set of adopted rules to any Part in one issue of the Illinois Register, R85-23 and R86-1 have to either be published in different issues, or be combined for publication. The Board authorizes consolidation for publication if it appears to be the most efficient way to proceed.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 11th day of July, 1986, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
