ORDER OF THE BOARD (by J.D. Dumelle):

This matter comes before the Board upon a Motion to Incorporate PCB 85-144 Record and to Consolidate with PCB 85-144 Hearing filed on behalf of Meyer Steel Drum, Inc. on December 4, 1985. The Motion is hereby denied because the decision dates are different and the Board has not received a waiver of the decision date in PCB 85-144.

Since the motion is denied, Meyer Drum's Petition for Extension of Variance is deficient. The Board invites Meyer Drum either to refile all the papers of PCB 85-144 in this proceeding or file a waiver of the decision date in PCB 85-144 to make it co-extensive with the decision date in this proceeding. After choosing which option, Meyer Drum may request the Board to entertain the motion again.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board hereby certify that the above Order was adopted on the 5th day of December, 1985 by a vote of 7-0

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
