ORDER OF THE BOARD (by J.D. Dumelle):

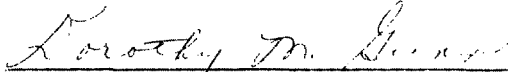

This matter comes before the Board upon a December 9, 1985 petition to extend the date of termination of a prior variance, PCB 85-24, filed on behalf of the City of Mt. Olive (Mt. Olive). The Board finds the petition deficient in several respects.

Specifically, Mt. Olive should submit more information on the date to which the extension is requested. Also, Mt. Olive must either request or waive hearing in this proceeding. If Mt. Olive chooses to waive hearing, then it must submit an affidavit attesting to the facts asserted in the petition. Lastly, the record of this proceeding is deficient in that the record of the prior variance, PCB 85-24, has not been incorporated into this proceeding.

Unless this additional information is filed within 45 days of this Order, this proceeding is subject to dismissal.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 20th day of December, 1985 by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
