INTERIM ORDER OF THE BOARD (by J.D. Dumelle):

On April 26, 1985, the Hearing Officer, Mr Stephen Davis, submitted to the Board a transcript of the April 15, 1985, hearing held concerning the Illinois Environmental Protection Agency's enforcement action against Marathon Petroleum Co. Within the transcript is a motion on behalf of the parties for a 60-day continuance in which to submit a Revised Settlement Agreement. Apparently this motion was not previously ruled on by the Board or the Hearing Officer. The Board notes that the parties have failed to submit a revised agreement within the 60 day period. The Board, therefore, orders the parties to submit such agreement within 30 days of the date of this Order. Alternatively, the parties may proceed to a hearing on the merits to be scheduled within 30 and held within 60 days of the date of this Order. Otherwise, this matter will be subject to dismissal.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 1st day of August, 1985, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
