MR. HERCULES PAUL ZAGORAS APPEARED ON BEHALF OF THE VILLAGE OF WAUCONDA.

MS. MARY DRAKE AND MR. STEPHEN C. EWART APPEARED ON BEHALF OF THE ILLINOIS ENVIRONMENTAL PROTECTION AGENCY.

CONCURRING OPINION (by J. Theodore Meyer):

I concur with my colleagues in the order of disposition of this case, but it seems to me that 8 hours is too long a period of time to arrive at the conclusion that constructing a by-pass of Bangs Lake is the solution of the Wauconda municipal sewage treatment plant problems. I doubt if this variance relief from the effluent limitation pertaining to phosphorus will win any engineering design awards.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Concurring Opinion was submitted on the 15th day of January, 1986.
