ORDER OF THE BOARD (by J. Anderson):

On December 20, 1985, the Board directed the Village of Burlington (Village) to clarify and supplement its petition for variance in a number of respects. On December 30, 1985, the Village filed a First Amended Petition, waiving hearing and answering most, but not all, of the deficiencies noted by the Board.

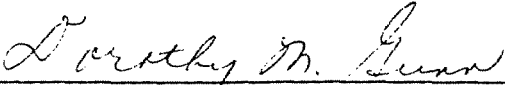

Therefore, the Village is directed to clarify and supplement its First Amended Petition in the following respects:

- 1) Has the Village installed a sewer system since 1980?
- 2) Concerning the Village's assertion that it is at its bonded indebtedness limit, on what timetable are these bonds being retired, and/or when could the Village lawfully bond any additional indebtedness required to comply with the Barium standard.

If an amended petition addressing these issues is not filed within 45 days of the date of this Order, this petition will be subject to dismissal.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 9th day of January, 1986, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
