

ILLINOIS POLLUTION CONTROL BOARD  
January 9, 1986

IN THE MATTER OF THE PETITION )  
OF THE CITY OF EFFINGHAM FOR ) PCB 86-5  
EXCEPTION TO THE COMBINED SEWER )  
OVERFLOW REGULATIONS )

ORDER OF THE BOARD (by J.D. Dumelle):

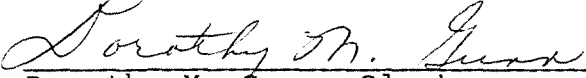

This matter comes before the Board upon a January 6, 1986 Petition for Exception to the Combined Sewer Overflow Regulations filed on behalf of the City of Effingham (City). The Board finds that had the petition been properly addressed to the Board's new offices, then it would have been timely filed and therefore, the Board will accept the petition. However, the Board finds that the petition is deficient in several areas.

Specifically, the City should submit more information on the requested relief. The City should specify the presently applicable standards, which of those standards it believes should be found inappropriate and what substitute standards should be imposed, if any. Further, the City should submit additional information concerning the environmental impact of the combined sewer overflows and whether any enforcement action has been initiated against the City or if there has been any non-compliance with variances granted to the City.

Unless this additional information is filed within 45 days of this Order, this matter is subject to dismissal.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 9<sup>th</sup> day of January, 1986 by a vote of 7-0.

  
Dorothy M. Gunn, Clerk
