ORDER OF THE BOARD (by J.D. Dumelle):

This matter comes before the Board upon an October 7, 1985, motion for specification of errors filed on behalf of the Illinois Environmental Protection Agency (Agency). The Agency filed a similar motion requesting that such specification of errors be submitted by September 25, 1985. That motion was granted by the Board by order of September 20, 1985. However the Board's order failed to specify the date by which such specification should be filed. The Agency presently requests that such filing be made by October 9, 1985. Obviously, such an order makes little sense. The Agency's motion is granted; however, B. F. Goodrich Co. is hereby ordered to file a specification of errors on or before October 21, 1985.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 10th day of October, 1985 by a vote of 7-0
