ORDER OF THE BOARD (by R. C. Flemal):

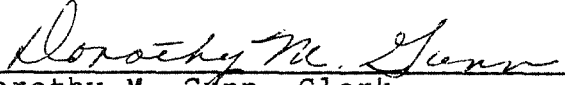

On August 14, 1985, The City of Albion ("Albion") filed a Petition for Variance relating to its sewage treatment works. The petition is deficient in the following areas:

1. The petition fails to clearly indicate the type of relief Albion seeks from the Board.
2. The petition fails to specifically identify the Board regulation(s) Albion seeks relief from, and the substitute limitation(s) applicable to Albion during the period of its construction work.
3. The petition fails to adequately address the environmental impact that would result from the relief requested by Albion.
4. The petition does not state that denial of the requested relief would cause an arbitrary or unreasonable hardship to Albion.

Unless an amended petition curing the above-noted defects is filed within 45 days, this petition will be subject to dismissal.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 15TH day of August, 1985, by a vote of 7-0.
