ORDER OF THE BOARD (by R. C. Flemal):

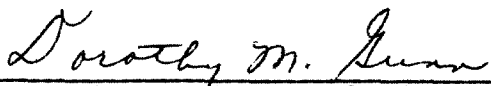

This matter comes before the Board on an August 30, 1985 motion to consolidate filed by DuPage Publications Co. ("DuPage"). DuPage requests that the Board consolidate this case with three other cases currently before the Board which involve DuPage (PCB 85-44, PCB 85-45, and PCB 85-70), consolidated by Orders of the Board on May 16, 1985, and June 27, 1985.

The motion to consolidate is hereby granted. However, the Board notes that this is the third consolidation of proceedings related to DuPage, all of which address matters of a similar nature. In the interest of seeing these proceedings to a timely resolution, the Board will discourage motions for any additional consolidations that may serve to delay resolution of these four permit appeals.

The Board further notes that Petitioner, by letter from its attorneys dated September 13, 1985, extended the decision date on PCB 85-44, PCB 85-45, and PCB 85-70, as consolidated, to January 20, 1985 (sic). The Board interprets this letter as Petitioner's intent to extend the due date to January 20, 1986. As this reflects on the additional consolidation of PCB 85-130, the Board further interprets January 20, 1986, as the common due date for all four of the consolidated proceedings.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 24th day of October, 1985, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
