ILLINOIS POLLUTION CONTROL BOARD November 21, 1985

MODINE MANUFACTURING COMPANY,)
Petitioner,)
v.) PCB 83-18
ILLINOIS ENVIRONMENTAL PROTECTION AGENCY,)
Respondent.))

ORDER OF THE BOARD (by B. Forcade):

This matter comes before the Board upon an November 18, 1985, motion for additional time filed on behalf of the Illinois Environmental Protection Agency ("Agency"). The Agency requests that it be allowed to file its recommendation on or before December 3, 1985. It was due November 15, 1985. That motion is hereby granted.

On November 7, 1985, the Board entered an order in this matter requiring hearing to be held on or before December 13, 1985. Thus, Modine Manufacturing, Inc. would have only 9 days prior to hearing to prepare a response to that recommendation. Furthermore, it has become impossible to publish timely notice for a hearing to be held prior to December 13, 1985. Therefore, the Board on its own motion hereby modifies its November 7, 1985, Order to allow the Agency until December 3, 1985, to file its recommendation, to allow until December 1, 1985, to schedule hearing, and to allow hearing to be held no later than February 1, 1986.

IT IS SO ORDERED.

Dorothy M. Gunn, Clerk

Illinois Pollution Control Board
