ORDER OF THE BOARD (by J. D. Dumelle):

This matter comes before the Board upon a December 10, 1984, petition for variance filed on behalf of the Village of Romeoville. That petition is deficient in numerous respects pursuant to 35 Ill. Adm. Code 104.120 - 104.124. In particular, the Board notes that variance request is from permit conditions rather than Board rules or the Illinois Environmental Protection Act, there is no request or waiver of hearing, the length of variance is not stated, and the petition should have more factual support in general.

Unless the Village of Romeoville files an amended petition within 45 days of the date of this order curing the above-noted deficiencies, the petition will be subject to dismissal.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the day of day of 1984 by a vote of

Dorothy M. Gunn, Clerk

Illinois Pollution Control Board
