IN THE MATTER OF: )  
 )  
DEFINITION OF LIQUID HAZARDOUS ) R83-28B  
WASTE (Temporary Rules) )

FINAL ORDER. ADOPTED RULES  
FINAL ORDER OF THE BOARD (by J. Marlin):

On June 29, 1984 the Board adopted emergency rules which implemented provisions of Section 22.6 of the Environmental Protection Act and which restrict disposal of liquid hazardous waste. The emergency rules were filed and effective on July 5, 1984 (8 Ill. Reg. 12668 and 12678, July 13, 1984). At the same time the Board proposed to adopt the emergency rules as permanent rules (8 Ill. Reg. 11997, 12000). The Board opened Docket R83-28B for the purpose of adopting the regular rules. On July 19, 1984 the Board adopted a Final Opinion supporting the emergency rules, and a Proposed Opinion supporting the first notice rules. On August 30, 1984 the Board conducted an additional public hearing on the first notice proposal. The extended comment period expired on September 28, 1984. An economic impact study and hearings cannot be completed in time for Board action prior to expiration of the emergency rules. On November 8, 1984 the Board sent the proposal to Second Notice. A supporting Second Notice Opinion was adopted on November 21, 1984. The Joint Committee on Administrative Rules considered the proposal on December 11, 1984, and made no objection. The Board has modified the proposal in response to testimony received at the public hearing, the written comments and the JCAR staff comments on form and statutory authority. The modified text is attached to this Order. Striking and underlining in 35 Ill. Adm. Code 729 refer to the Board's Order of October 25, 1984 in R81-25.

The Board shortly will adopt a supporting Opinion.

IT IS SO ORDERED.

Board Member B. Forcade concurred.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 20<sup>th</sup> day of December, 1984 by a vote of 5-0.
