ORDER OF THE BOARD (by B. Forcade):

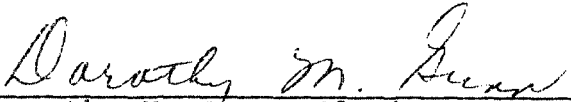

On May 24, 1985, Mobil Chemical Company ("Mobil") filed a motion for relief from Final Order in this case. On June 1, 1985, the Agency filed a Reply to Motion for Relief from Final Order and a Motion for Stay. On June 12, 1985, Mobil moved for expedited consideration and decision at the June 13, 1985, regularly scheduled Board meeting.

The Board will defer action on the motion for relief from final order until receipt of Mobil's July 1, 1985, filing and the appropriate Agency response. The Board will consider any modifications as expeditiously as possible after such filings. Since any modifications may be made retroactive, Mobil's concerns regarding enforcement are minimized.

Pursuant to paragraph 5 of the Board's August 22, 1984, Order, Mobil was directed to file a report with the Agency not later than July 1, 1985. The Board directs Mobil to file a copy of that report with the Board. The Agency is directed to file its response with the Board not later than August 15, 1985.

IT IS SO ORDERED

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 13<sup>th</sup> day of June, 1985, by a vote of 7-0.
