ORDER OF THE BOARD (by B. Forcade):

On September 17, 1984, IBP, Inc. filed a petition for variance with the Board. In response to a Board Order dated September 20, 1984, IBP, Inc. filed an amended petition on September 27, 1984, which provided more specific supporting information. On November 1, 1984, an objection to the variance was filed by the Rock River Valley Association. This matter, therefore, will be set for hearing.

Because a decision in this matter must be rendered by the December 20, 1984, Board meeting, this case must proceed to hearing as quickly as possible. In order to ensure sufficient time for enlightened decision making, the Board will require "next day" service on the hearing transcript. Additional final briefs, if any, must be filed within five (5) days of the hearing.

IT IS SO ORDERED.

Chairman J. D. Dumelle and Board Member J. Anderson dissented.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 9th day of November, 1984 by a vote of 4-2.
