ORDER OF THE BOARD (by B. Forcade):

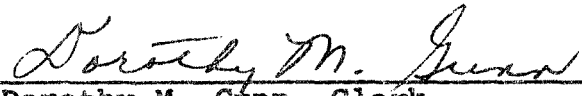

On July 30, 1984, the parties filed a joint motion for reconsideration of the Board's June 29, 1984 Order. That Order required a hearing to be scheduled within 30 days and held within 60 days or this matter would be subject to dismissal. The motion for reconsideration is granted.

The parties are directed to file with this Board, not later than September 14, 1984, a status report listing all factual or legal impediments which preclude a Board resolution of the conflicts surrounding the 1983 Agency decision on this permit.

The Board's June 29, 1984 Order is hereby modified. Unless a hearing is scheduled before September 28, 1984, and held before October 31, 1984, this matter will be subject to dismissal.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 2nd day of August, 1984 by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
