    Respondent. )

MR. RICHARD H. SANDERS AND MR. STEVEN M. HARTMAN OF VEDDER, PRICE, KAUFMAN & KAMM HOLZ APPEARED ON BEHALF OF STAUFFER CHEMICAL COMPANY.

MR. PETER E. ORLINSKY, ATTORNEY-AT-LAW, APPEARED ON BEHALF OF THE ILLINOIS ENVIRONMENTAL PROTECTION AGENCY.

ORDER OF THE BOARD (by J. D. Dumelle):

This matter comes before the Board upon a March 23, 1984, petition for variance filed on behalf of the Stauffer Chemical Company (Stauffer). This petition was filed on the same day that it filed a petition for a site-specific sulfur dioxide limitation applicable to its Chicago Heights plant. Variance is requested "until such time as Stauffer's petition for a site-specific mass emission limit for sulfur dioxide ... is granted by the Board."

The Board has today adopted a site-specific sulfur dioxide emission limitation applicable to the plant at issue in this matter (see PCB 84-36). The variance request has, therefore, become moot, and proceedings in this matter are hereby dismissed.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 22<sup>nd</sup> day of August, 1984 by a vote of 6-0.

*Dorothy M. Gunn*  
Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
