ORDER OF THE BOARD (by B. Forcade):

On February 1, 1984 Moore American Graphics filed an Amended Petition for Variance. This matter will be set for hearing. In order to allow the Board to make an informed decision the parties are encouraged:

1. to submit the independent lab analysis of air surrounding Moore American Graphics for solvent content as mentioned in the Amended Petition;
2. to provide information on the level of VOC emissions, in pounds per year, which will not adversely affect air quality or the environment. This information should include any available VOC emissions data that would assist the Board in reviewing the impact of emissions during the time of greatest concern, the ozone season.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 9<sup>th</sup> day of February, 1984 by a vote of 7-0.
