February 9, 1984

IN THE MATTER OF:)
)
DEFINITION OF LIQUID)
HAZARDOUS WASTE) R83-28
)

ORDER OF THE BOARD (by D. Anderson):

Proposals for rulemaking were filed by Citizens for a Better Environment (CBE) and the Illinois EPA (IEPA) on January 25 and 26, 1984 respectively. Both proposals address the subject matter recently docketed for consideration in "R83-28, Definition of Hazardous Liquid Waste". To avoid duplication and unnecessary delay, the Board hereby orders that these proposals be consolidated for joint consideration with the Board staff's proposal in this proceeding. The 200 signature requirement which would apply to CBE's proposal is hereby waived since this proposal will be considered in this established proceeding.

The merits of all three proposals will be given full consideration by the Board. The Board Staff's proposal will be labeled Exhibit #1. CBE's proposal will be labeled Exhibit #2. IEPA's proposal will be labeled Exhibit #3.

IT IS SO ORDERED.

Board Member B. Forcade abstained.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Opinion and Order was adopted on the 9th day of February, 1984 by a vote of 6-0.
