ORDER OF THE BOARD (by J. Anderson):

This appeal, filed July 12, 1983, concerns denial of special waste stream permits for disposal of wastes at the landfill located at 13606 Knoxville Road, Rock Island County. Agency denial of the permits was premised on Agency belief that SB 172 site location suitability approval was a necessary precondition to issuance of the contested permits.

This appeal contains issues of law and fact common to the nine appeals filed July 18, and already consolidated for hearing on the Board's own motion July 26, 1983. The Board will therefore consolidate PCB 83-85 with PCB 83-88 through PCB 83-96 for purposes of hearing.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 18th day of August, 1983 by a vote of 3-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
