ORDER OF THE BOARD (by J. Anderson):

On July 27, 1983, the City filed an appeal of permits issued by the Agency to CID Landfill #1 on June 22-23, 1983 for Agency Log #404 and #410. This appeal is generally deficient pursuant to Part 105 of the Board's Procedural Rules. This is a third-party permit appeal, but since the Board is not aware of what "Agency Log #404 and 410" constitutes, the Board cannot determine whether it even has statutory jurisdiction of the purported appeal, since it is not clear whether hazardous waste permits are at issue. Likewise, the grounds of appeal are not stated.

If an amended petition remedying these deficiencies is not filed within 15 days of the date of this Order, this action will be subject to dismissal. As these gross deficiencies are the "fault" of the petitioner, the Board construes the 90-day time clock as being tolled from July 27 until the date of filing of an amended petition.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 18th day of August, 1983 by a vote of 5-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
