OPINION AND ORDER OF THE BOARD (by E.Z. Kezelis):

On December 30, 1998, the Illinois Attorney General, on behalf of the People of the State of Illinois, filed a formal complaint naming as a respondent South Palos Township Sanitary District, a municipal corporation located in Cook County, Illinois. The complaint contains allegations that the respondent violated Section 12 of the Illinois Environmental Protection Act (Act) (415 ILCS 5/12 (1996)) and 35 Ill. Adm. Code 306.304 and 309.202. Specifically, complainant alleges that the respondent caused or allowed water pollution, caused or allowed overflows from its sanitary sewer, and constructed a sewer connection without a proper permit from the Illinois Environmental Protection Agency.

On April 19, 1999, the parties filed a stipulation and proposal for settlement and a motion requesting relief from the hearing requirement of Section 31(c)(2) of the Act. Pursuant to Section 31(c)(2), the Board caused publication on April 21, 1999, of the required newspaper notice of the stipulation and proposal for settlement and request for relief from the hearing requirement. The Board did not receive any requests for hearing. Accordingly, the Board grants a waiver of the hearing requirement.

The stipulation and proposal for settlement sets forth facts relating to the nature, operations, and circumstances surrounding the allegations in the complaint. Respondent admits the violations and agrees to pay a civil penalty of \$4,000. Respondent must continue to comply with any federal, State, or local regulations including, but not limited to, the Act and the Board's regulations.

This opinion constitutes the Board's findings of fact and conclusions of law in this matter.

ORDER

The case number, case name, and respondent's social security number or federal employer identification number shall also be included on the check or money order.

Interest shall not accrue during the pendency of an appeal during which payment of the penalty has been stayed.
5. The respondent shall cease and desist from the alleged violations.

IT IS SO ORDERED.
