ORDER OF THE BOARD (by J. Anderson):

This petition, filed February 22, 1983, seeks an extension of the variance granted in PCB 81-148. This petition is deficient in a number of respects, and fails to provide much of the information required by 35 Ill. Adm. Code 104.121, 104.123 and 104.124. Hearing must be requested or waiver (and if hearing is waived an affidavit attesting to the truth of the facts alleged must be submitted). The record of the prior proceeding should be incorporated into this proceeding, and the petition should describe whether the facts as presented in the earlier proceeding are still applicable, and should update them if not. In particular, the new or continuing hardship which Petitioner believes justifies a grant of variance should be specifically stated.

If an amended petition curing these deficiencies is not submitted within 45 days of the date of this Order, this petition will be subject to dismissal. The Clerk is requested to supply Petitioner with a copy of the Board's codified procedural rules.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 24th day of February, 1983 by a vote of 5-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
