ORDER OF THE BOARD (by W. J. Nega):

On October 24, 1983, the parties filed a Joint Motion for Modification of Order which requested that, pursuant to 35 Ill. Adm. Code 103.240, the words "all ammonia nitrogen fertilizer storage tanks" in Paragraph 1(a) on page 7 of the Stipulation and Proposal for Settlement filed on July 27, 1983, as approved in the Board's Opinion and Order of September 23, 1983, be replaced with the words "all anhydrous ammonia fertilizer tanks" to accurately reflect actual conditions at the Respondent's agricultural sales and service facility.

The Board believes that the parties' desire to modify their Stipulation is appropriate. The Joint Motion for Modification is hereby granted.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 3RD day of November, 1983 by a vote of 5-0.
