ORDER OF THE BOARD (by J. Anderson):

On September 2, 1982 the Board ordered, for reasons there stated, that hearing in this action be scheduled within 15 and held within 45 days of the date of that Order, or the action would be dismissed. On September 13, hearing in this matter was scheduled for October 7, which hearing was continued until an uncertain date on October 7.

On October 12, 1982, in a "joint motion for stay and dismissal" the parties stated that hearing was not held "because the parties were able to resolve the issues raised herein". The Board is requested to stay this action until a proposed draft permit which the Agency "agreed to issue" at some unspecified time becomes final at some unspecified future date.

The Board declines to grant the motion to stay this 3 year old action for an indefinite period. The Village is ordered to file a report on the status of the proposed draft permit within 45 days of the date of this Order.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 14th day of October, 1982 by a vote of 5-0.
