ORDER OF THE BOARD (by N.J. Melas):

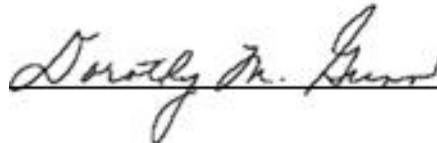

This petition for review, filed on June 15, 1999, requests that the Board review a May 13, 1999 Illinois Environmental Protection Agency (Agency) final determination regarding petitioner's facility site located at 3500 West 35th Street, Cicero, Cook County, Illinois. The Board accepts this matter for hearing.

The Board's rules require that the Agency file the entire Agency record of its review of its determination within 14 days of notice of the petition. See 35 Ill. Adm. Code 105.102.

The petition for review was accompanied by a motion to consolidate and a waiver of the decision deadline. See 35 Ill. Adm. Code 101.105. Petitioner requests that the Board consolidate this matter with PCB 96-141 and PCB 99-44, which "concerns the same [p]etitioner, facility and issues." The motion asserts that the Agency does not object to the consolidation. The Board consolidates PCB 99-186 with PCB 96-141 and PCB 99-44. The Board notes that the three cases are due on the same date. Today's caption reflects the consolidation. The Board directs all future pleadings reflect this consolidation.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 8th day of July 1999 by a vote of 5-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
