

ILLINOIS POLLUTION CONTROL BOARD

May 5, 1983

MAPLE LAWN HOMES AND CITY OF EUREKA,)
)
) Petitioners,)
)
) v.) PCB 83-37
)
) ILLINOIS ENVIRONMENTAL PROTECTION AGENCY,)
)
) Respondent.)

ORDER OF THE BOARD (by J. Anderson):

Maple Lawn Homes (MPL) has requested expedited consideration of this petition, filed March 14 as amended April 5, 1983. The Agency filed its Recommendation in support of grant of variance with conditions on May 2, 1983.

Neither the petition nor the Recommendation specifically advise the Board a) when "in the fall" MPL would anticipate the additional housing units to be ready for occupancy based on a May construction start, and b) when Eureka's Phase A sewage treatment plant (STP) expansion work and the subsequent flow monitoring study are anticipated to be completed, based on a "summer, 1983" construction start (Rec. p. 5), and c) when, assuming Phase B STP work is concluded to be necessary, design and construction would be projected to be completed, based on the Agency's projection that design work could begin in November, 1983 (Rec. p. 5), and Petitioners' assertion that construction would begin in summer, 1984 (Pet. p. 3-4).

Petitioners are requested to file an amendment to their petition (supported by affidavit) supplying this information. The Board will expedite its decision in this matter, currently due for decision June 30, 1983, upon receipt of the requested information. Petitioners would be advised to submit their amendment on or before May 13, 1983 if they wish this petition to be considered by the Board at its May 19, 1983 meeting.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 5th day of May, 1983 by a vote of 4-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
