ORDER OF THE BOARD (by J.D. Dumelle):

Iowa Beef Processors Corporation filed a petition for variance on November 1, 1982. That petition fails to discuss the possibility of filtration for total suspended solids (and the cost of such filtration) or the environmental effects of bottom deposits in the stream and the downstream effects on dissolved oxygen levels. (see Section 104.121 (g) and (i) of Subtitle A, 35 Ill. Adm. Code).

Unless an amended petition is filed within 45 days of the date of this Order curing the above-noted defects, this petition will be subject to dismissal.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 12<sup>th</sup> day of November, 1982 by a vote of 5-0.
