WESTOWN LANDS WEST SUBDIVISION, and STELLA ANNES,

Petitioners,

v.

PCB 82-57

ILLINOIS ENVIRONMENTAL PROTECTION AGENCY,

Respondent.

ORDER OF THE BOARD (by J.D. Dumelle):

On April 30, 1982 Stella Annes filed a variance petition on behalf of Westown Lands West Subdivision and four homeowners who have been identified by the Du Page County Health Department as having malfunctioning septic systems. The Village of Lombard has been properly served and Stella Annes, who has been designated as "official spokeswoman" has represented that the named homeowners have authorized her to file the petition on their behalf. The Board hereby joins the Village as a party to this action. Since hearing has been waived, the Board will accept the petition and hold this matter for Agency recommendation. However, Stella Annes should file proof of the above-noted representation concerning the homeowners desire for variance.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the $/3^{+-}$ day of $/3^{+-}$, 1982 by a vote of
