ORDER OF THE BOARD (by J. Anderson):

On June 13, the Agency moved for leave to file its Recommendation, due July 1, on August 5, as certain information regarding the status of the Milan interceptor sewer project will not be available until that time. The motion recited that Oak Grove had no objection to the extension.

In order to grant this request, the Board must construe Oak Grove's lack of objection as a pro tanto waiver of the decision period, that is, an extension of the decision period for 35 days.

The Agency's motion is granted.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board hereby certify that the above Order was adopted on the 30th day of June, 1983 by a vote of 4-0.
