ORDER OF THE BOARD (by I. G. Goodman):

On November 29, 1982 a joint motion was filed requesting a stay in this proceeding pending issuance of a new NPDES permit to Outboard Marine Corporation (OMC) by the Illinois Environmental Protection Agency (Agency). On October 14, 1982 the Board ordered that hearing on this permit appeal be held within sixty days of that Order's date. Hearing was scheduled and noticed for December 1, 1982. Now, the parties seek to stay the proceeding, but provide no time frame for concluding this matter.

Since it is the intent of the parties that during the stay a notice of the pending new NPDES permit will be published, and that the permit will subsequently be issued, the Board will grant time sufficient for this to occur. Stay is granted until February 28, 1983.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 2ND day of December, 1982 by a vote of 4-0.
