

ORDER

The Peoria Sanitary District is hereby granted a provisional variance from the Section 304.120 limitations for BOD and suspended solids for a period of 45 days beginning on the day the Illinois River has receded at Peoria to 7.0 feet above normal pool subject to the following conditions:

1. The District informs Robert Broms, Manager, Compliance Assurance Section, Division of Water Pollution Control (217/782-9720) of:
 - a. the day discharge begins by cutting the levee;
 - b. the day discharge ceases.
2. Only the 50-acre lagoon site will be drained into no more than a level of one foot above the sludge.
3. No sludge is discharged.
4. The remainder of the water shall be pumped back to the wastewater treatment plant for complete treatment.
5. The District shall sample the discharge for BOD, total suspended solids, volatile solids, and ammonia nitrogen daily.
6. The above sample results shall be submitted within 10 days after the discharge ceases to Robert Broms, Manager, Compliance Assurance Section, Division of Water Control.
7. The District shall complete the work to increase the elevation of the levees.
8. The District shall execute a certificate of acceptance and agreement to be bound by the terms and conditions of this provisional variance within 10 days of the date of this Order. The certificate shall be addressed to the Illinois Environmental Protection Agency, Division of Water Pollution Control, Compliance Assurance Section, 2200 Churchill Road, Springfield, Illinois 62706 and shall be in the following form:
