ORDER OF THE BOARD (by J.D. Dumelle):

On July 1, 1981, the Naval Air Station, Glenview, filed an amended petition for variance from Rule 205(p) of Chapter 2: Air Pollution, in response to the Board Order of June 25, 1981 requesting more information. While many of the defects have been cured, no information has been given as to why no action was taken to achieve compliance prior to exhaustion of fiscal year 1981 funds. Further, hearing has been neither waived nor requested pursuant to Procedural Rule 401(b). If hearing is waived, such waiver should be accompanied by an affidavit in support of the material facts alleged.

Unless an amended petition is filed with the Board within 45 days of the date of this Order, the petition will be subject to dismissal.

IT IS SO ORDERED.

Mr. Anderson abstained.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 9th day of July, 1981 by a vote of 4-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
