ORDER OF THE BOARD (by D. Anderson)

On July 14, 1981 the Illinois Environmental Protection Agency (Agency) filed a second motion to reconsider the Board's Order of June 10, 1981. On July 22, 1981 Caterpillar Tractor Co. (Caterpillar) filed a response in opposition. In its motion the Agency objects to what it perceives as an order to incorporate into the permit the precise language requested by Caterpillar. This was not intended. The motion is granted. The Order shall be modified to provide that the Agency shall modify the permit consistent with the language in the Opinion. In the event Caterpillar is not satisfied with the resulting permit it may file another appeal.

IT IS SO ORDERED

Mrs. Anderson concurs
