ORDER OF THE BOARD (by J. Anderson):

On December 22, 1981 Outboard Marine moved for reconsideration and clarification of the Board's Order of November 19, 1981. The Agency filed a similar motion December 24, 1981.

The motion is granted. Paragraph 2 of the Board's November 19, 1981 Order is vacated.

During pendency of the appeal of the contested conditions of NPDES Permit No. IL0002267, the effectiveness of these contested conditions is stayed. As the parties agree that in this case it is more environmentally appropriate for OMC to comply with this latest issued permit, the uncontested provisions of this permit have full force and effect.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 7th day of January, 1982 by a vote of 4-0.
