ORDER OF THE BOARD (by J. Anderson):

The Agency's May 22, 1981 Motion to Lift Stay of Permit Conditions is hereby denied. The affidavit accompanying Alburn's May 28 Response indicates that it is aware of and has been carrying out its responsibility to conduct its incineration operations in an environmentally sound fashion during the pendency of this stay. The Board, by its Order of May 28, 1981, has directed that this appeal proceed to hearing expeditiously. Under these circumstances and at this time, the Board finds no need for modification of its May 1 Order.

The Board, however, will state in clarification, that the Order stays only the contested conditions of this permit.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 10<sup>th</sup> day of June, 1981 by a vote of 4-0.
