ORDER OF THE BOARD (by J.D. Dumelle):

On November 1, 1979, the Board ordered Highland Hills Sanitary District (HHSD) to cease and desist from further violations of Rules 601(a) and 602(b) of Chapter 3: Water Pollution. HHSD was also ordered to submit a compliance plan to reduce excess infiltration into the system. On November 26, 1980, HHSD submitted a second revised compliance plan, and on February 25, 1981 the Agency certified the issuance of a federal Step 1 facilities planning grant for the preparation of a limited sewer system evaluation survey (SSES).

The Illinois Environmental Protection Agency has found the compliance plan acceptable, and the Board concurs. It is therefore ordered that HHSD proceed in an expeditious manner to prepare the SSES in accordance with all of the terms of the grant and the approved compliance program and to timely take all other necessary pre-grant and post-grant actions.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 16<sup>th</sup> day of April, 1981 by a vote of 5-0.
