	Respondent.	)		

ORDER OF THE BOARD (by I. Goodman):

On April 14, 1981 Petitioner moved to stay permit conditions imposed on September 9, 1980. On April 16, 1980 Petitioner filed a motion for emergency decision upon that motion. The Board reiterates its Order of March 19, 1981.

These October 14, 1980 Board appeals of the Agency's September 9, 1980 modifications of construction and operating permits have the effect of maintaining the February 20, 1980 permits in effect while the permit appeal process continues. The fact that the September modifications included an expiration date of January 9, 1981 does not affect this result.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the day of and, 1981 by a vote of 5-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
