

ILLINOIS POLLUTION CONTROL BOARD  
February 17, 1982

IN THE MATTER OF: )  
 )  
PROPOSED AMENDMENT TO )  
RULE 203(d) OF THE BOARD'S ) R78-12  
AIR POLLUTION CONTROL )  
REGULATIONS PERTAINING TO FLOAT )  
GLASS MANUFACTURING PROCESSES )

ORDER OF THE BOARD (by I. Goodman):

On September 18, 1978, PPG Industries, Inc. ("PPG") filed a proposed amendment to Rule 203(d) of Chapter 2: Air Pollution Control Regulations ("Chapter 2") which proposed that Rules 203(a) and 203(c) of Chapter 2 should not apply to float glass manufacturing plants. On March 7, 1979, PPG filed a Motion to Stay Proceedings in R78-12 which was granted by the Board on March 15, 1979. Concurrently, on March 15, 1979, the Board entered an Order in a related proceeding (PCB 78-210) which granted PPG a variance from Rule 203(a) of Chapter 2 for its float glass manufacturing facility in Mt. Zion, Illinois.

Because the stay of proceedings in R 78-12 is no longer necessary, the Board will, on its own motion, hereby vacate the stay and dismiss the regulatory proceeding in R 78-12 as moot.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 17<sup>th</sup> day of February, 1982 by a vote of 4-0.
