ORDER OF THE BOARD (by Mr. Dumelle):

On October 24, 1979 Petitioner requested a variance from Rule 962 (a) of Chapter 3: Water Pollution. The Petition is deficient in several respects. First, the Petition is not signed so it is not clear whether the Petition has been submitted by any public official with requisite authority. Second it does not disclose a detailed compliance program as required by Procedural Rule 401(a)(6). Third, it does not indicate Petitioner's construction grant status as required by Procedural Rule 401(a)(8). Fourth, it does not specifically request or waive a hearing as required by Procedural Rule 401(b).

Consequently this matter is hereby dismissed without prejudice. Petitioner may refile its request for relief with the additional information noted here if it so desires.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 1st day of November, 1979 by a vote of 4-0.
