ORDER OF THE BOARD (by Mr. Dumelle):

On November 1, 1979 the Board adopted an Order in this matter which was incomplete. That Order is hereby vacated, and this Order is substituted in its place.

On October 9, 1979 Petitioner requested a variance from Rule 402 of Chapter 3: Water Pollution. The Petition is deficient in two respects. First, it fails to assess the environmental impact a variance would have on Lake Michigan and the Skokie River Drainage as required by Procedural Rule 401(a)(7). Second, it fails to specifically request or waive a hearing as required by Procedural Rule 401(b). If these deficiencies are not corrected within 45 days of the date of this Order, this matter will be subject to dismissal. The statutory 90 day decision period shall run from the date an amended petition is filed.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 29th day of November, 1979 by a vote of 4-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
