ORDER OF THE BOARD (by J. D. Dumelle):

This matter comes before the Board upon an August 14, 1986 motion for reconsideration filed on behalf of the Illinois Environmental Protection Agency (Agency). The Agency requests that the Board reconsider its July 11, 1986 order in this matter requiring the Agency to "physically file" approximately 1900 pages of material which was incorporated by reference into this matter from PCB 86-18. That motion is granted, and the order is hereby rescinded. However, if the Board is required at some later date to file those materials with the appellate court on appeal of either proceeding while the other proceeding remains active before the Board, the Agency may be required to submit a copy of those materials at that time.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 28th day of August, 1986 by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
