ORDER OF THE BOARD (by Mr. Dumelle):

On June 20, 1979 Petitioner requested a variance from the requirements of Part V of Chapter 9: Special Waste Hauling Regulations. The Petition is deficient in several respects. First, it fails to indicate the quantity of materials hauled by Petitioner on a monthly or annual basis. Second, it fails to indicate where Petitioner's waste oil is discharged or deposited. Third, it fails to indicate why Petitioner cannot or should not be required to comply with the regulations. Fourth, it fails to describe a program to come into compliance with the regulations. Fifth, it fails to discuss alternate methods of compliance. Sixth, it fails to specifically request or waive a hearing. If these deficiencies are not corrected within 45 days of the date of this Order, this matter will be subject to dismissal. The statutory ninety day decision period shall run from the date an amended petition is filed.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 22<sup>ND</sup> day of June, 1979 by a vote of 5-0.
