ORDER OF THE BOARD (by Mr. Dumelle):

On July 9, 1979 Petitioner requested an extension of the variance granted in City of Chicago v. EPA, PCB 78-106, September 7, 1978, 33 PCB 35. The Petition is deficient in several respects. First, it fails to state whether the record in PCB 78-106 should be incorporated into this record as required by Procedural Rule 402(a). Second, it fails to state the quantity of emissions which will result from conversion as required by Procedural Rule 401(a)(4). Third, it fails to give a detailed description of Petitioner's compliance program as required by Procedural Rule 401(a)(6). Fourth, it fails to specifically request or waive a hearing as required by Procedural Rule 401(b). If these deficiencies are not corrected within 45 days of the date of this Order, this matter will be subject to dismissal. The statutory 90 day decision period shall run from the date an amended petition is filed.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 12th day of July, 1979 by a vote of 5-0
