ORDER OF THE BOARD (by Mr. Goodman):

Petitioner's motion is granted.

The Board finds that Paragraph C requires the biannual reporting of noise reduction achieved and not the monthly reporting as the Order now states.

Said Order is hereby ordered modified to read:

- C) International Harvester Company shall report every six months to the Illinois Environmental Protection Agency, 2200 Churchill Road, Springfield, Illinois 62706, all noise reduction achieved by closing the forge shop doors. Harvester shall also report the results of all noise abatement research, the first report to be submitted on or before six months from the date hereof, and subsequent reports to be submitted at six-month intervals thereafter;

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 20th day of September, 1979 by a vote of 5-0.
