ORDER OF THE BOARD (by Dr. Satchell):

1. Petitioner Department of the Army, Savanna Army Depot, is granted, pursuant to Rule 505, a variance from Rules 202(b) and 502(a) of Chapter 2: Air Pollution to permit open burning of 1800 pounds of M2 explosive propellant, subject to the following conditions:
2. Petitioner shall burn only the 1800 pounds of M2 explosive propellant presently stored on the site.
3. This variance shall expire one year from the date of this Order or whenever the last such M2 explosive propellant is destroyed, whichever occurs first.
4. During the time of such burning the Petitioner shall have at least two trained men on the site who shall be equipped with adequate fire fighting equipment to provide fire protection.
5. The burning shall be conducted under the direction of personnel trained in explosive burning procedures and shall be carried out between the hours of 8 a.m. and 3 p.m.
6. Petitioner shall notify the Agency's Region I Rockford office by telephone (815-987-7750) on the day before the scheduled burning.
7. Petitioner shall not conduct open burning if ambient air quality or weather conditions are not favorable. The manager of the Agency's Region I office or his representative shall have the right to determine whether air quality or weather conditions are not favorable.

8. The Petitioner shall within forty-five days of the date of this Order, execute and forward to the Air Pollution Control Division, Environmental Protection Agency, 2200 Churchill Road, Springfield, Illinois 62706, a Certificate of Acceptance and Agreement to be bound to all terms and conditions of this variance. This forty-five day period shall be held in abeyance for any period this matter is being appealed. The form of the certificate shall be as follows:
