ORDER OF THE BOARD (by Mr. Dumelle):

On May 18, 1979 Petitioner requested a variance to burn landscape waste. The Petition is insufficient for failure to comply with the provisions of Procedural Rule 401. Specifically, the Petition fails to identify the provisions of the regulations from which a variance is sought; the quantity of waste is not described; there is no assessment of the environmental impact of the burning; Petitioner's hardship from complying with the regulations is not stated; and the Petition fails to specifically request or waive a hearing. Consequently this matter is hereby dismissed without prejudice.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 24th day of May, 1979 by a vote of 5-0.
