ORDER OF THE BOARD (by Mr. Dumelle):

On November 21, 1978 Petitioner requested a variance from the Board's Air Pollution Control Regulations. The Petition is insufficient for the following reasons. First, it fails to specifically identify the particular Board regulation from which the variance is sought as required by Procedural Rule 401(a)(1). Second, it does not include the quantity and types of materials discharged as required by Procedural Rule 401(a)(4). Third, it does not describe the nature and extent of the present failure to meet the numerical standards or particular provisions from which the variance is sought as required by Procedural Rule 401(a)(5). If these inadequacies are not corrected within 45 days of the date of this Order, this matter will be subject to dismissal. The statutory ninety day decision period shall run from the date an amended petition is filed.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution
Control Board, hereby certify the above Order was adopted on the
day of \_\_\_\_\_\_\_, 1978 by a vote of \_\_\_\_\_\_.
